## Action Brief

Webster County Man Shocked By \$500,000 Lottery Win

Douglas Langerwalter of Badger won \$500,000!

A Webster County man who won a \$500,000 lottery prize said his celebration at a local supermarket drew attention.

"Everybody in the store looked at me, and I hollered, 'I just won a half-million dollars!'" Douglas Langerwalter recalled with a laugh. "I signed the ticket right away and we got the heck out of there."

Langerwalter, 58, of Badger, won the sixth top prize in the Iowa Lottery's "\$500,000 CASH" scratch game. He purchased his winning ticket at Fareway, 1231 First Ave. S. in Fort Dodge.

After buying the ticket, he scratched off the QR code and asked the employee to check the ticket on the store's lottery terminal. She came back with a winner claim form and told him he needed to drive to Clive to claim his prize at lottery headquarters.

"My wife has the lottery app on her phone, so she scanned it and it said \$500,000," Langerwalter said. "She thought it was an error, so she scanned it again. Neither one of us, until we got down here and had the check in hand, believed it."

But after claiming his prize at lottery headquarters in Clive, both he and his wife were starting to relax. Langerwalter said he plans to save and invest his winnings.

## \$2 Million Powerball® Prize Claimed, Another Unclaimed

One huge Powerball prize was claimed in mid-January, and we're still waiting to hear from the winner of a second multimillion-dollar prize!

Danny Buckelew of Treynor stopped by lottery headquarters to claim his \$2 million Powerball prize. He matched all five white balls in the drawing on Oct. 7, 2023, and was just one number away from winning that night's \$1.4 billion jackpot! Buckelew bought his easy-pick ticket at Casey's, 403 Stephans St. in Tiffin.

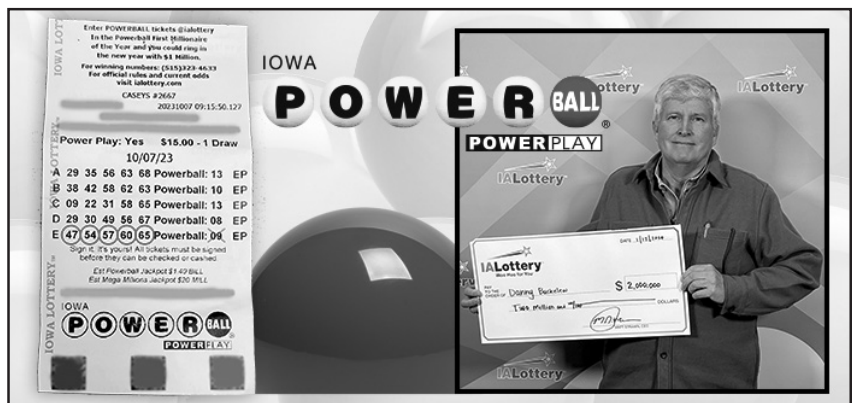

The winning numbers in the Oct. 7 drawing were 47-54-57-60-65 and Powerball 19. The Power Play® number was 3.

Meanwhile, another \$2 million Powerball prize remains unclaimed more than two months after it was won! That ticket matched all five white balls in the drawing on Nov. 25, 2023, and was purchased at Clinton Liquor, 1641 S. Bluff Blvd. in Clinton.

The winning numbers in that drawing were 27-33-63-66-68 and Powerball 9. The Power Play number was 2.

Prizes of this size must be claimed at Iowa Lottery headquarters in Clive. The deadline to claim this \$2 million prize is the close of business on May 23, 2024. Be sure to remind your player to always sign and check their tickets.

We can't wait to meet the winner -- or winners!

## Learn How The Iowa Lottery Gives Back

Each year, 100 percent of Iowa Lottery proceeds go to support state programs.

Since the lottery's start in 1985, its players have won more than \$5.6 billion in prizes while the lottery has raised more than \$2.4 billion for state programs. Today, lottery proceeds help our state in multiple ways. They support Iowa veterans and their families through the Iowa Veterans Trust Fund. They help the families of Iowa peace officers, firefighters and corrections employees who die in the line of duty. And they provide help for a variety of significant projects through the state General Fund.

The image shows how each \$1 spent on lottery products makes a difference in Iowa.

Since 2008, a portion of lottery proceeds has been dedicated to the Iowa Veterans Trust Fund. The IVTF was created to help Iowa veterans and their families with expenses such as job training or college tuition; some dental, vision and hearing assistance; and individual or family counseling. As of the latest

transfer in October 2023, the lottery has raised a total of nearly \$40 million for this cause.

Starting in 2019, a portion of lottery proceeds has been dedicated to the Public Safety Survivor Benefits Fund to help with insurance costs for the families of Iowa peace officers and fire fighters killed in the line of duty. And since 2021, a portion of lottery proceeds has been dedicated to the Department of Corrections Survivor Benefits Fund to help with those same insurance costs for the families of Iowa Corrections employees who die in the line of duty.

And since 1992, a majority of lottery proceeds has gone into the state General Fund to benefit programs including education, natural resources, agriculture, health and family services and public safety. The Governor and Iowa Legislature allocate money from the General Fund to the areas they believe need it most. In FY 2023, the Iowa Lottery provided \$105.5 million to the General Fund. To date, the lottery has delivered a total of nearly \$2.1 billion to that fund.
